¿ES MI TEMA COMPATIBLE?

Todos los temas del repositorio son compatibles con Gutenberg

¿ES MI BUILDER COMPATIBLE?

Divi, Visual Composer, Site Origin, Elementor, Beaver Builder...

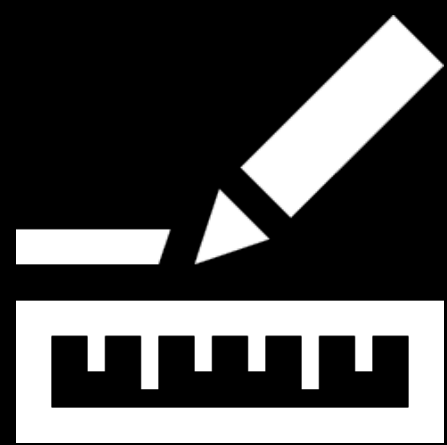

¡MI TEMA NO ES “COMPATIBLE”!

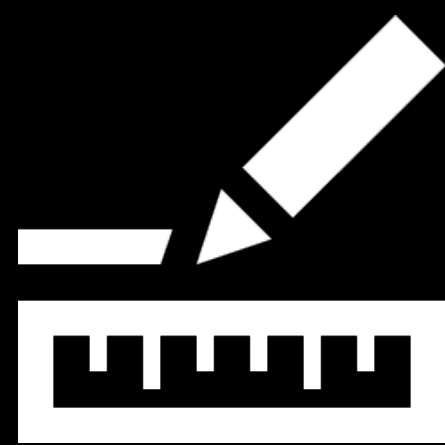

ESTILOS CSS

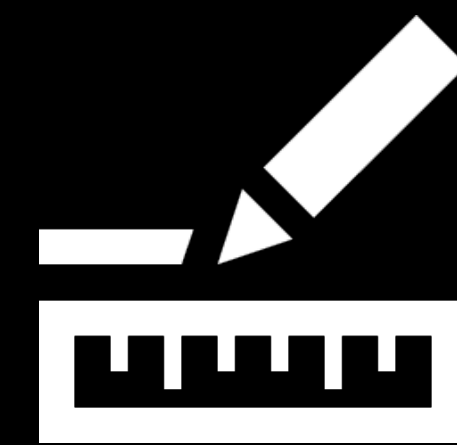

Los bloques de Gutenberg se rigen por ~~dos~~ tres hojas de estilo.

Editor.css

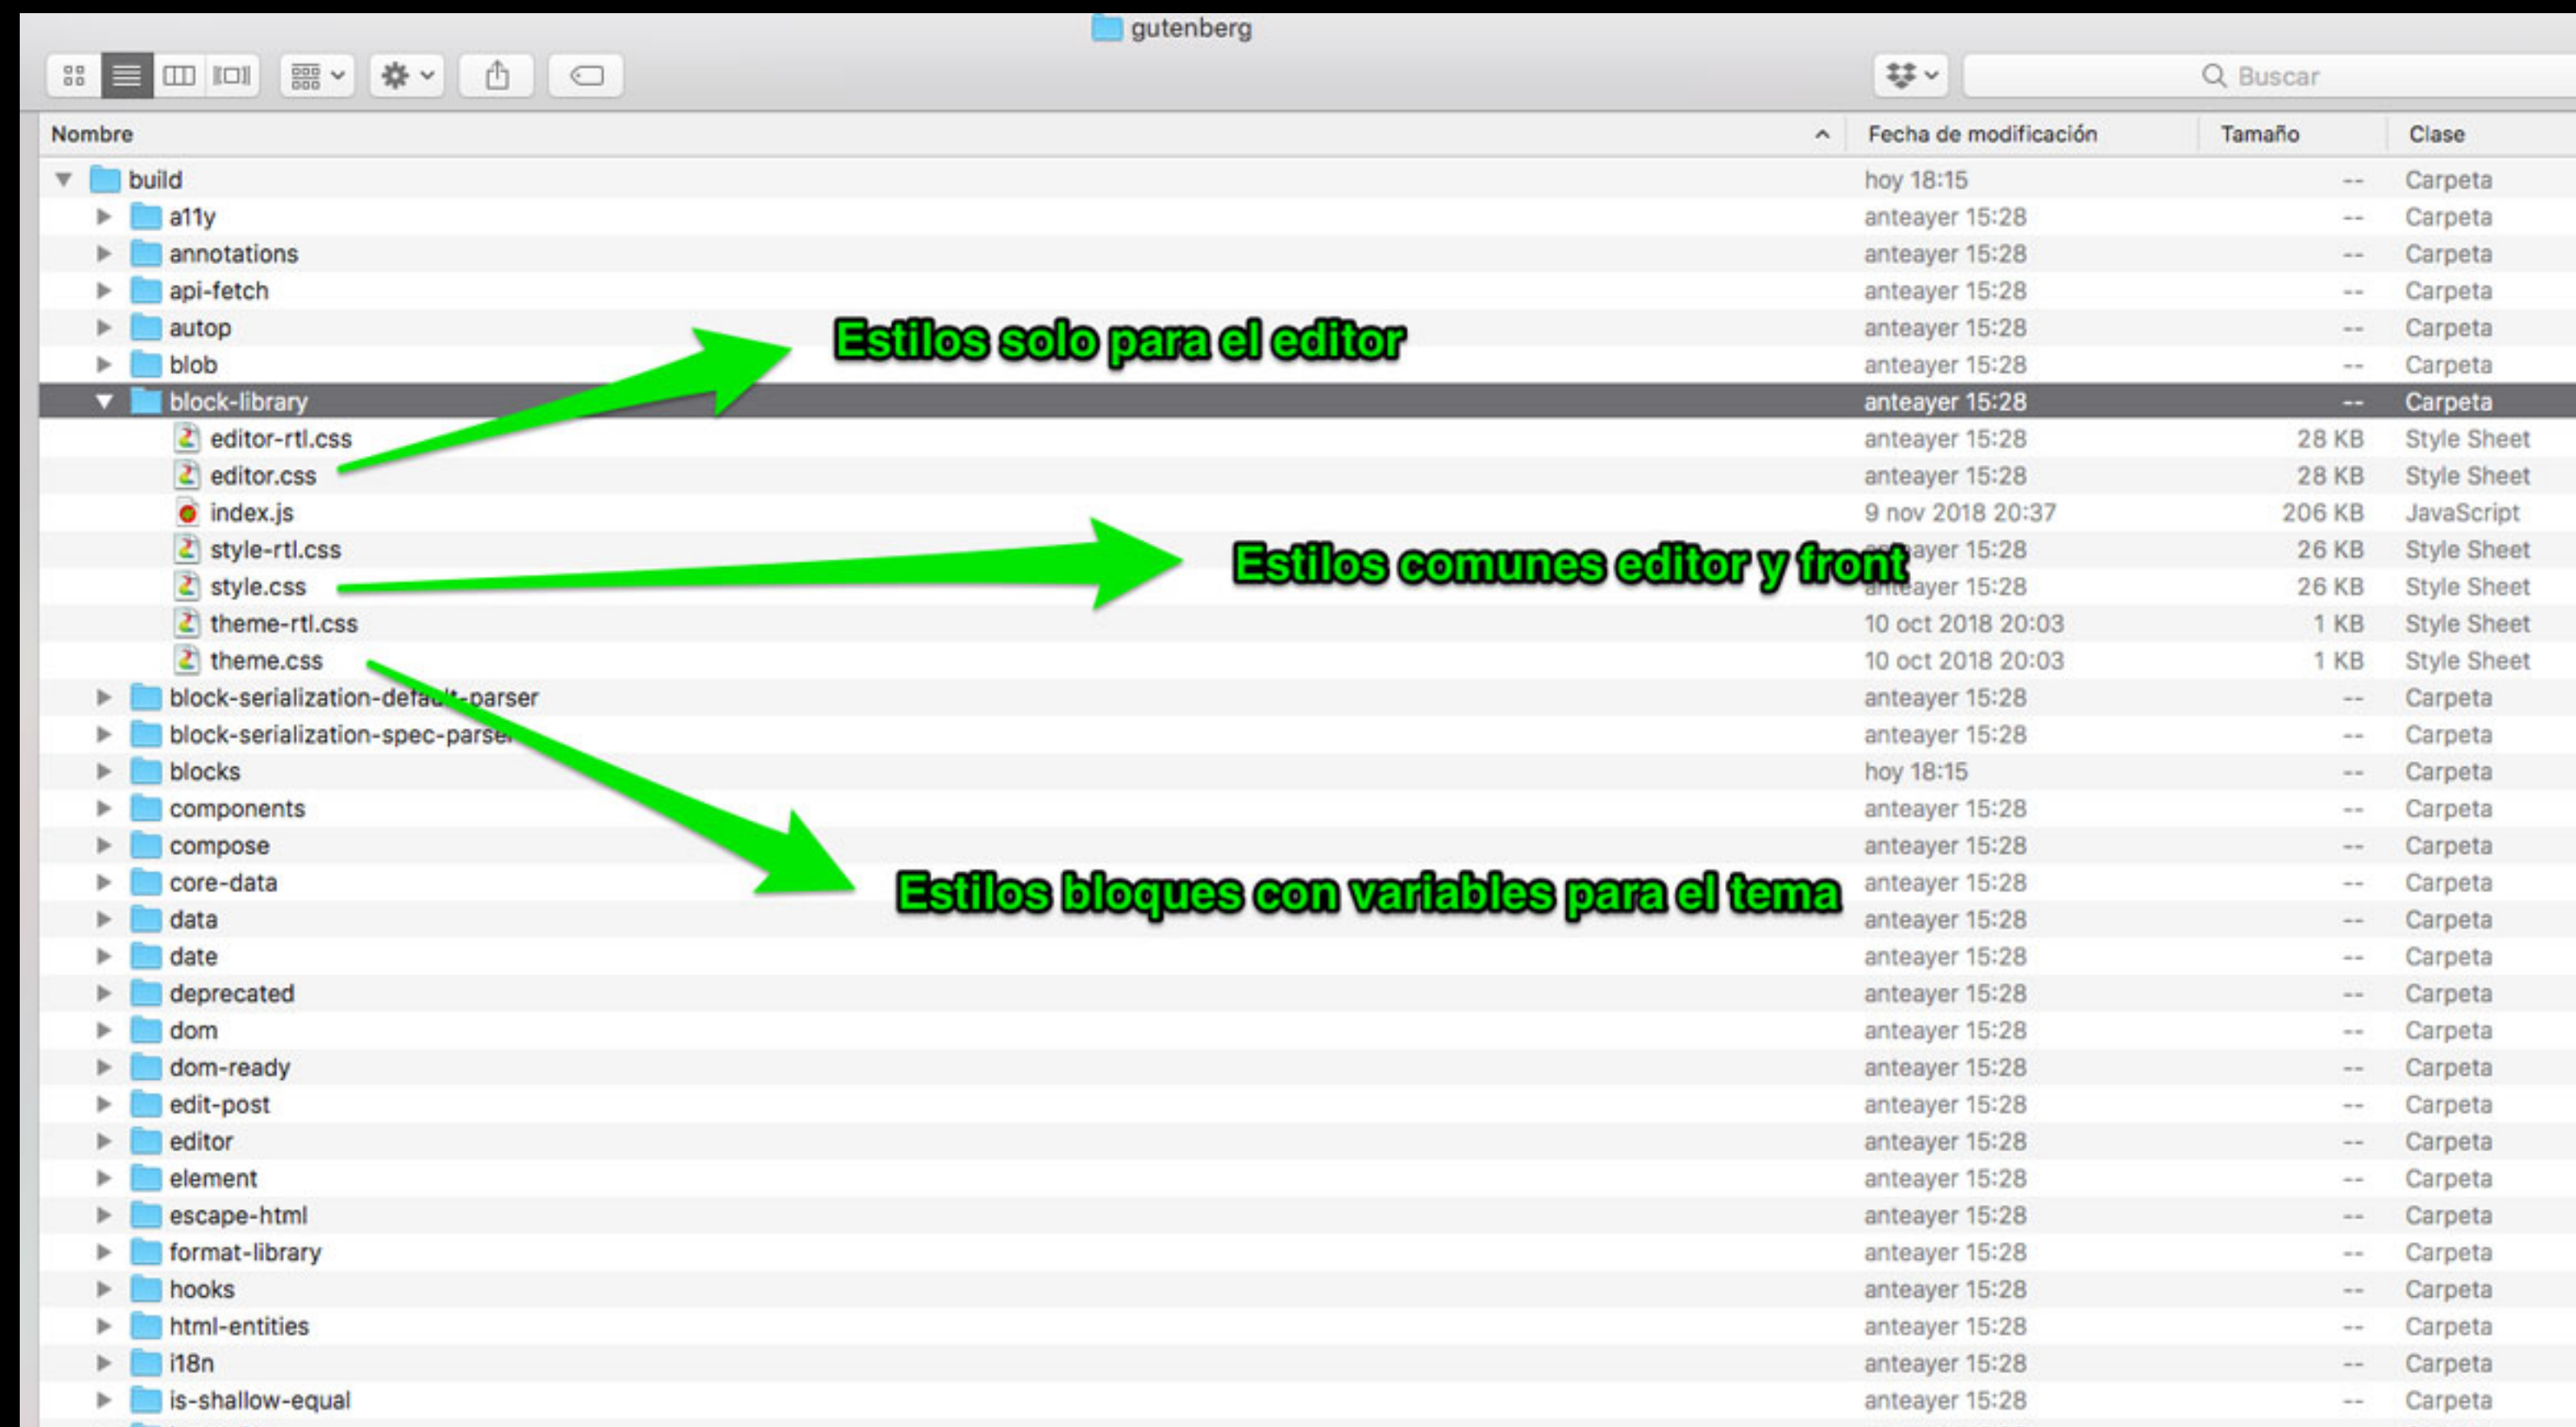

Style.css

Theme.css

ESTILOS CSS

Se encuentran en la carpeta Block Library del plugin de Gutenberg

ENCOLAR ESTILOS COMUNES

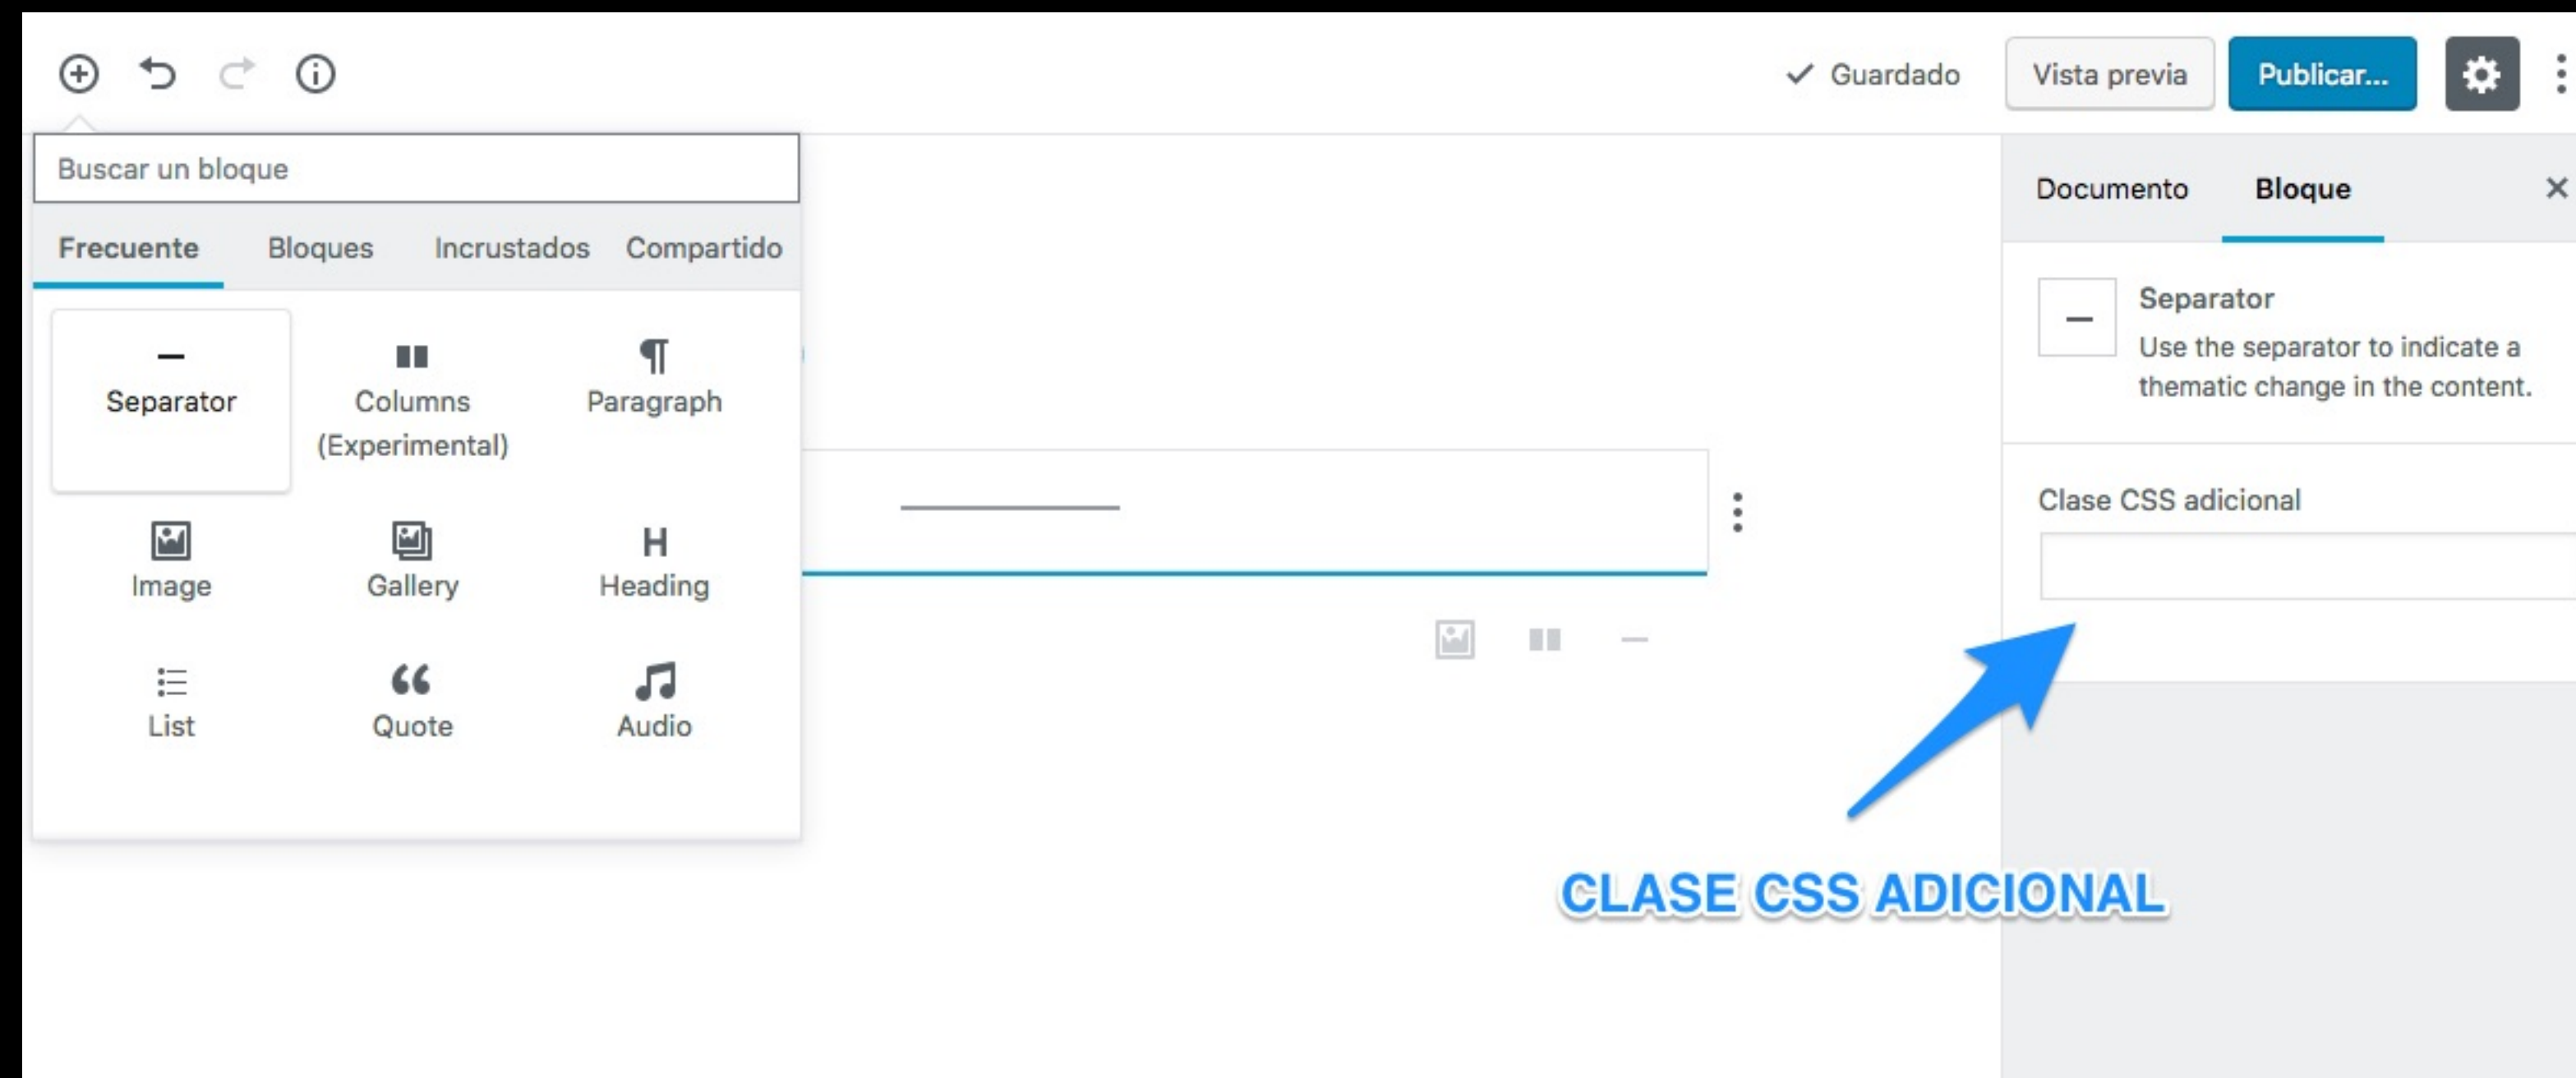

enqueue_block_assets

```
// Enqueue blocks styles
function vdv_aprendegutenberg_block_styles() {
    //Block Styles
    wp_enqueue_style( 'vdv-aprendegutenberg-block-styles', get_theme_file_uri( '/style.css' ), false, '1.0', 'all' );
}

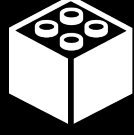

add_action( 'enqueue_block_assets', 'vdv_aprendegutenberg_block_styles' );
```

CLASE CSS ADICIONAL

Puedes incluir una clase CSS adicional para dar estilo al bloque.

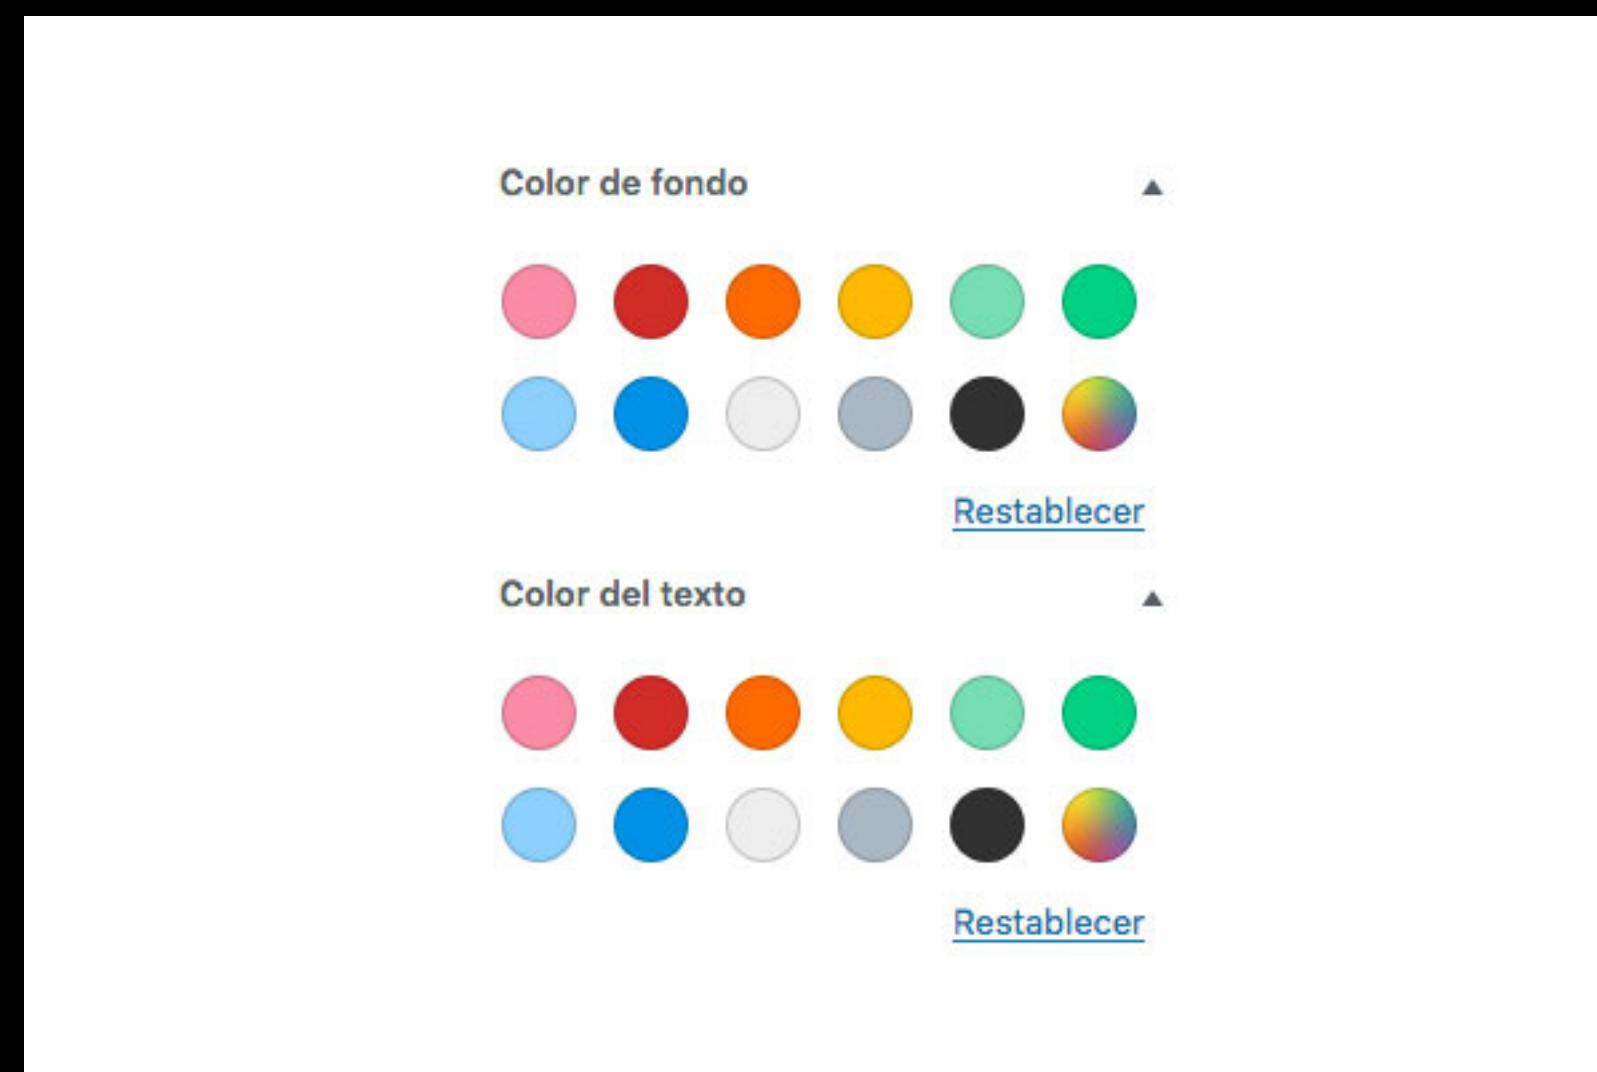

ADD THEME SUPPORT

-  `add_theme_support('editor-color-palette');`
-  `add_theme_support('disable-custom-colors');`
-  `add_theme_support('align-wide');`

.has-large-font-size {  
    font-size: 32px;  
}
```

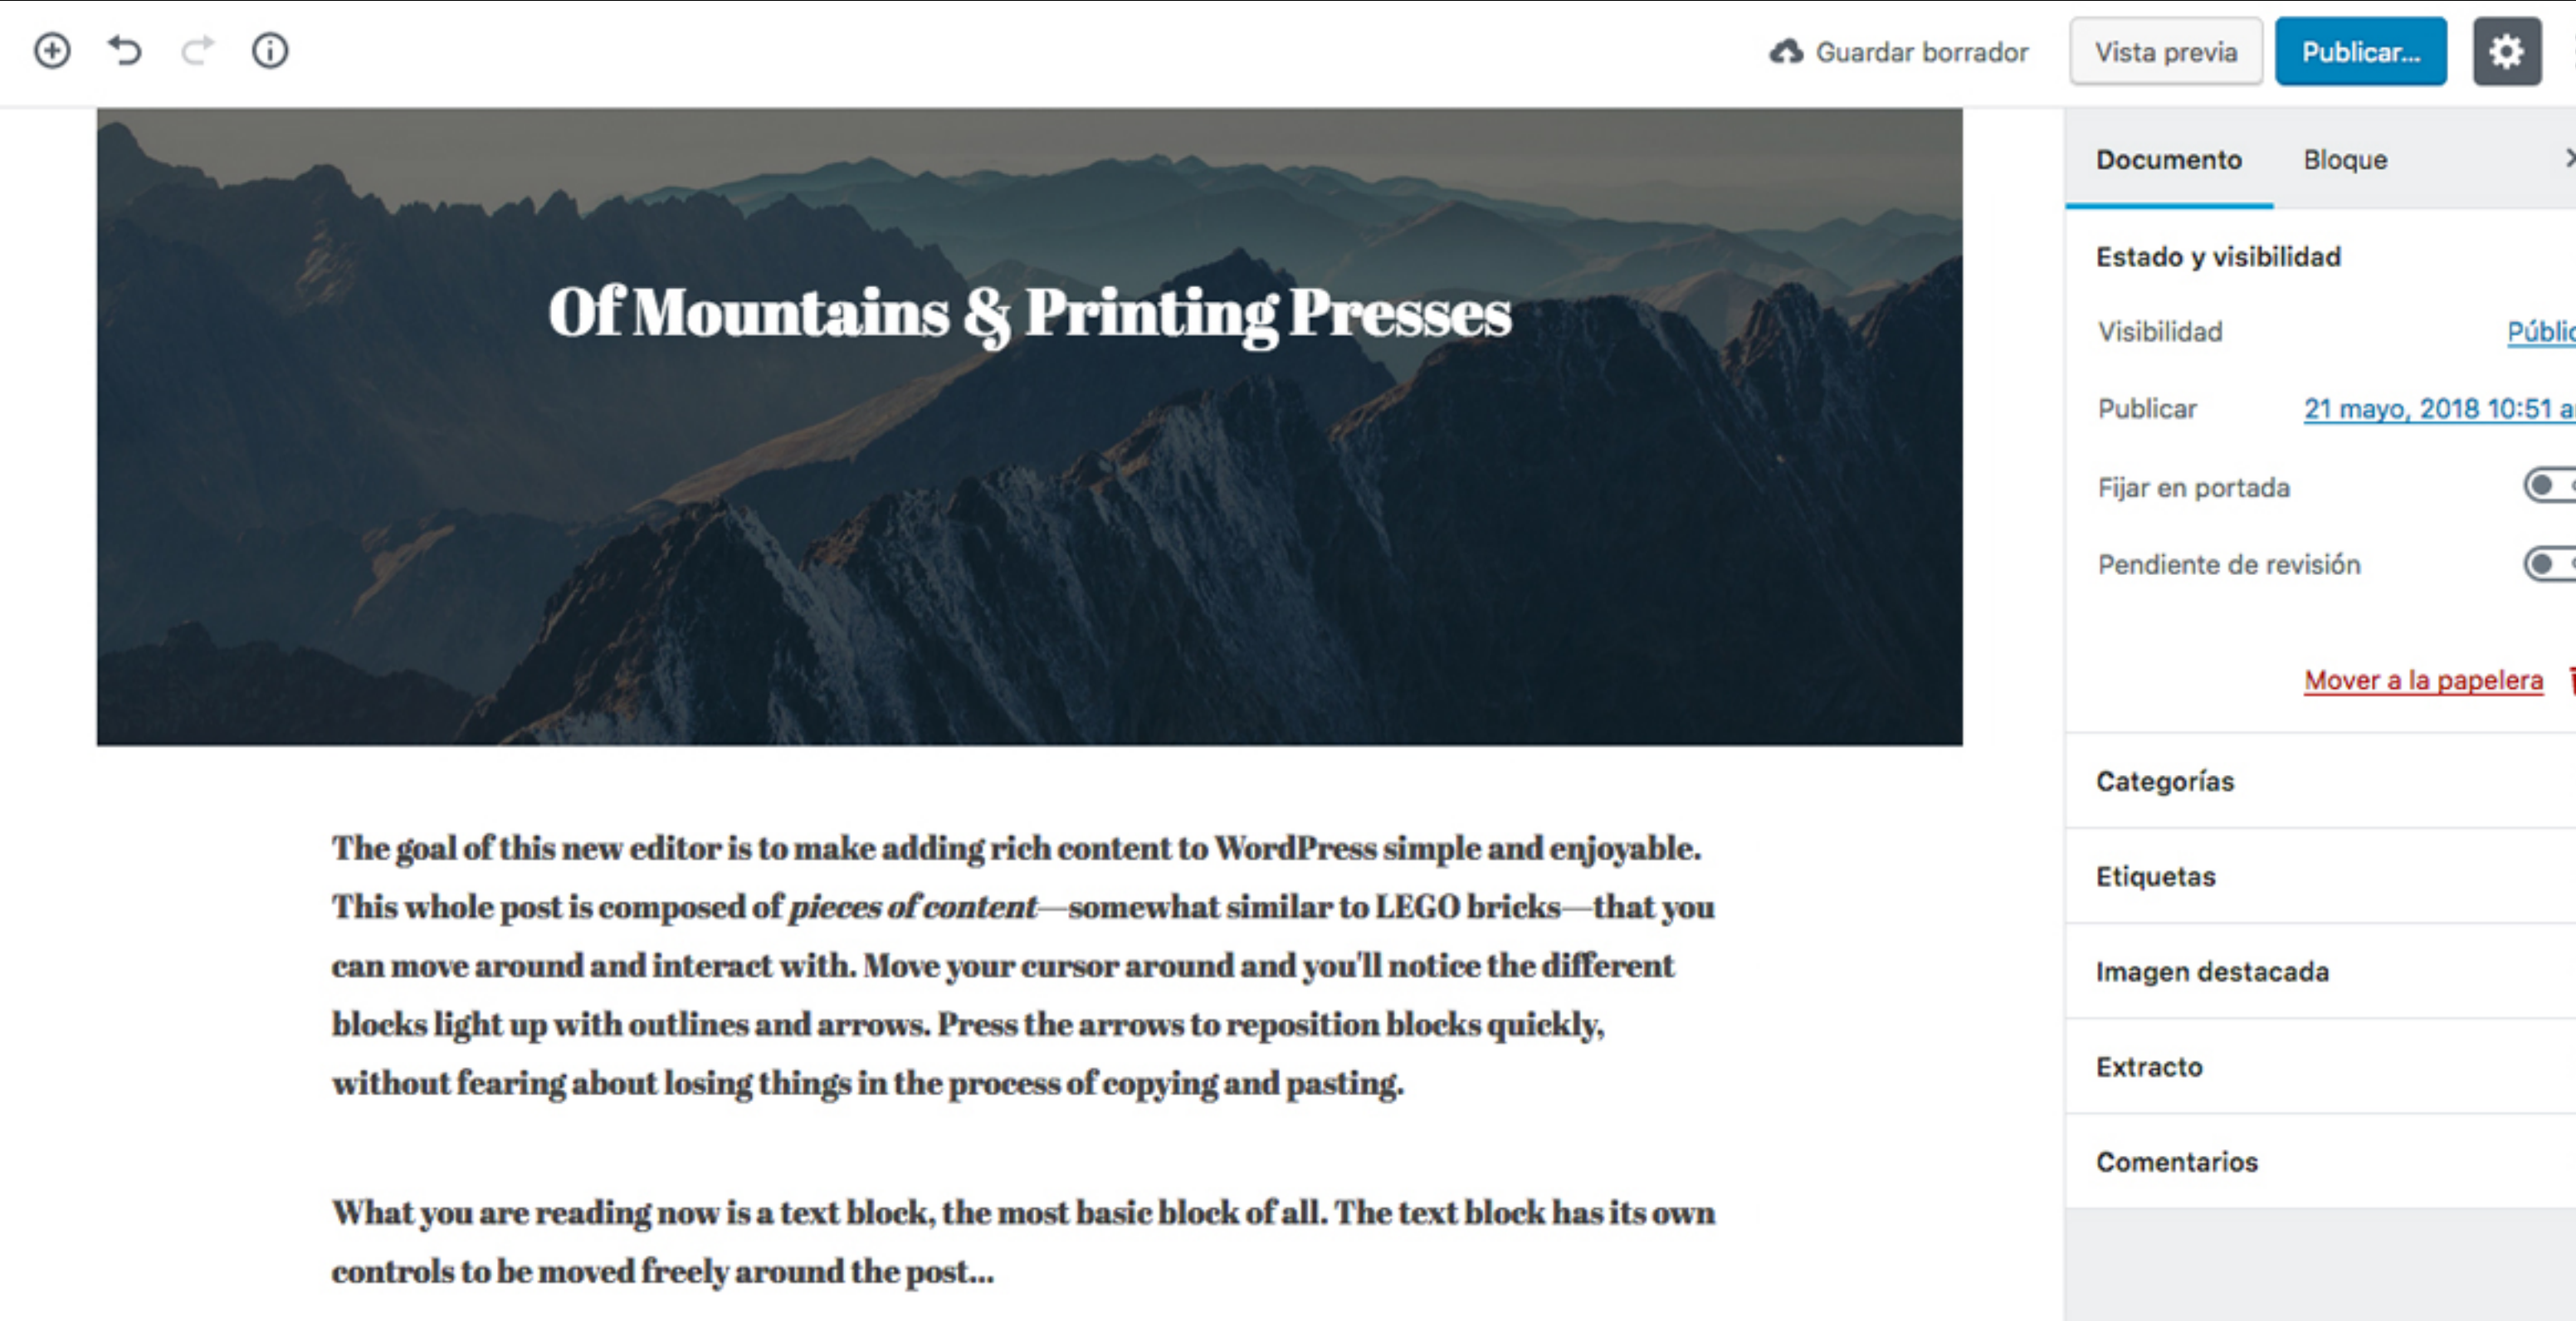

DESHABILITAR TAMAÑO FUENTES

`add_theme_support('disable-custom-font-sizes');`

ESTILOS DEL EDITOR

```
add_theme_support( 'editor-styles' );
```

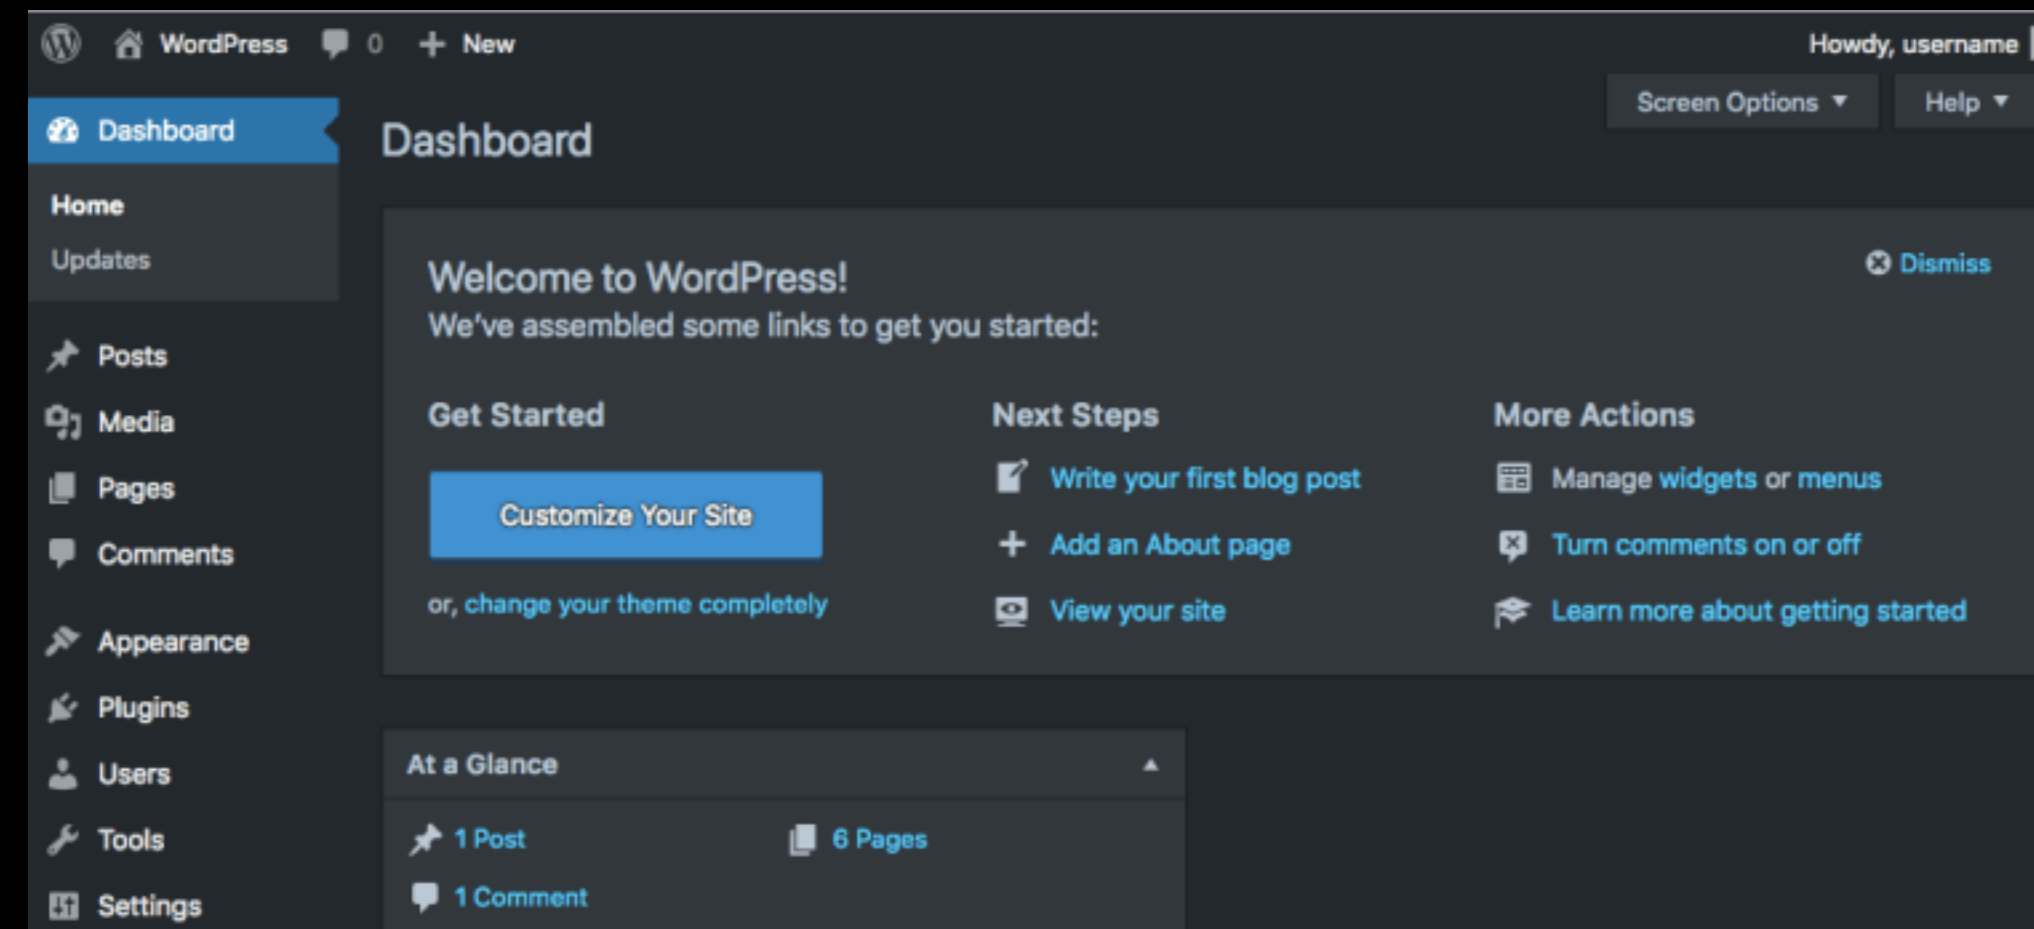

The screenshot displays the WordPress Gutenberg editor. At the top, there are navigation icons (add, undo, redo, info) and a 'Guardar borrador' button. The main content area features a large image of a mountain range with the title 'Of Mountains & Printing Presses' overlaid. Below the image, there are two paragraphs of text. The right sidebar is open, showing the 'Documento' tab with settings for 'Estado y visibilidad', including 'Visibilidad' (set to Pública), 'Publicar' (21 mayo, 2018 10:51 am), 'Fijar en portada', and 'Pendiente de revisión'. Other sidebar options include 'Categorías', 'Etiquetas', 'Imagen destacada', 'Extracto', and 'Comentarios'.

ESTILOS DEL EDITOR OSCURO

```
add_theme_support( 'editor-styles' );
```

```
add_theme_support( 'dark-editor-styles' );
```

ENCOLAR ESTILOS DEL EDITOR

enqueue_block_editor_assets

```
// Enqueue block editor style
function vdv_aprendegutenberg_block_editor_styles() {
    // Editor styles.
    wp_enqueue_style( 'vdv-aprendegutenberg-block-editor-styles', get_theme_file_uri( '/style-editor.css' ), false,
        '1.0', 'all' );
}

add_action( 'enqueue_block_editor_assets', 'vdv_aprendegutenberg_block_editor_styles' );
```

ESTILOS DEL EDITOR

`add_theme_support('editor-styles');`

```
/* Add this to your `style-editor.css` file */
body {
    background-color: #d3ebf3;
    color: #00005d;
}

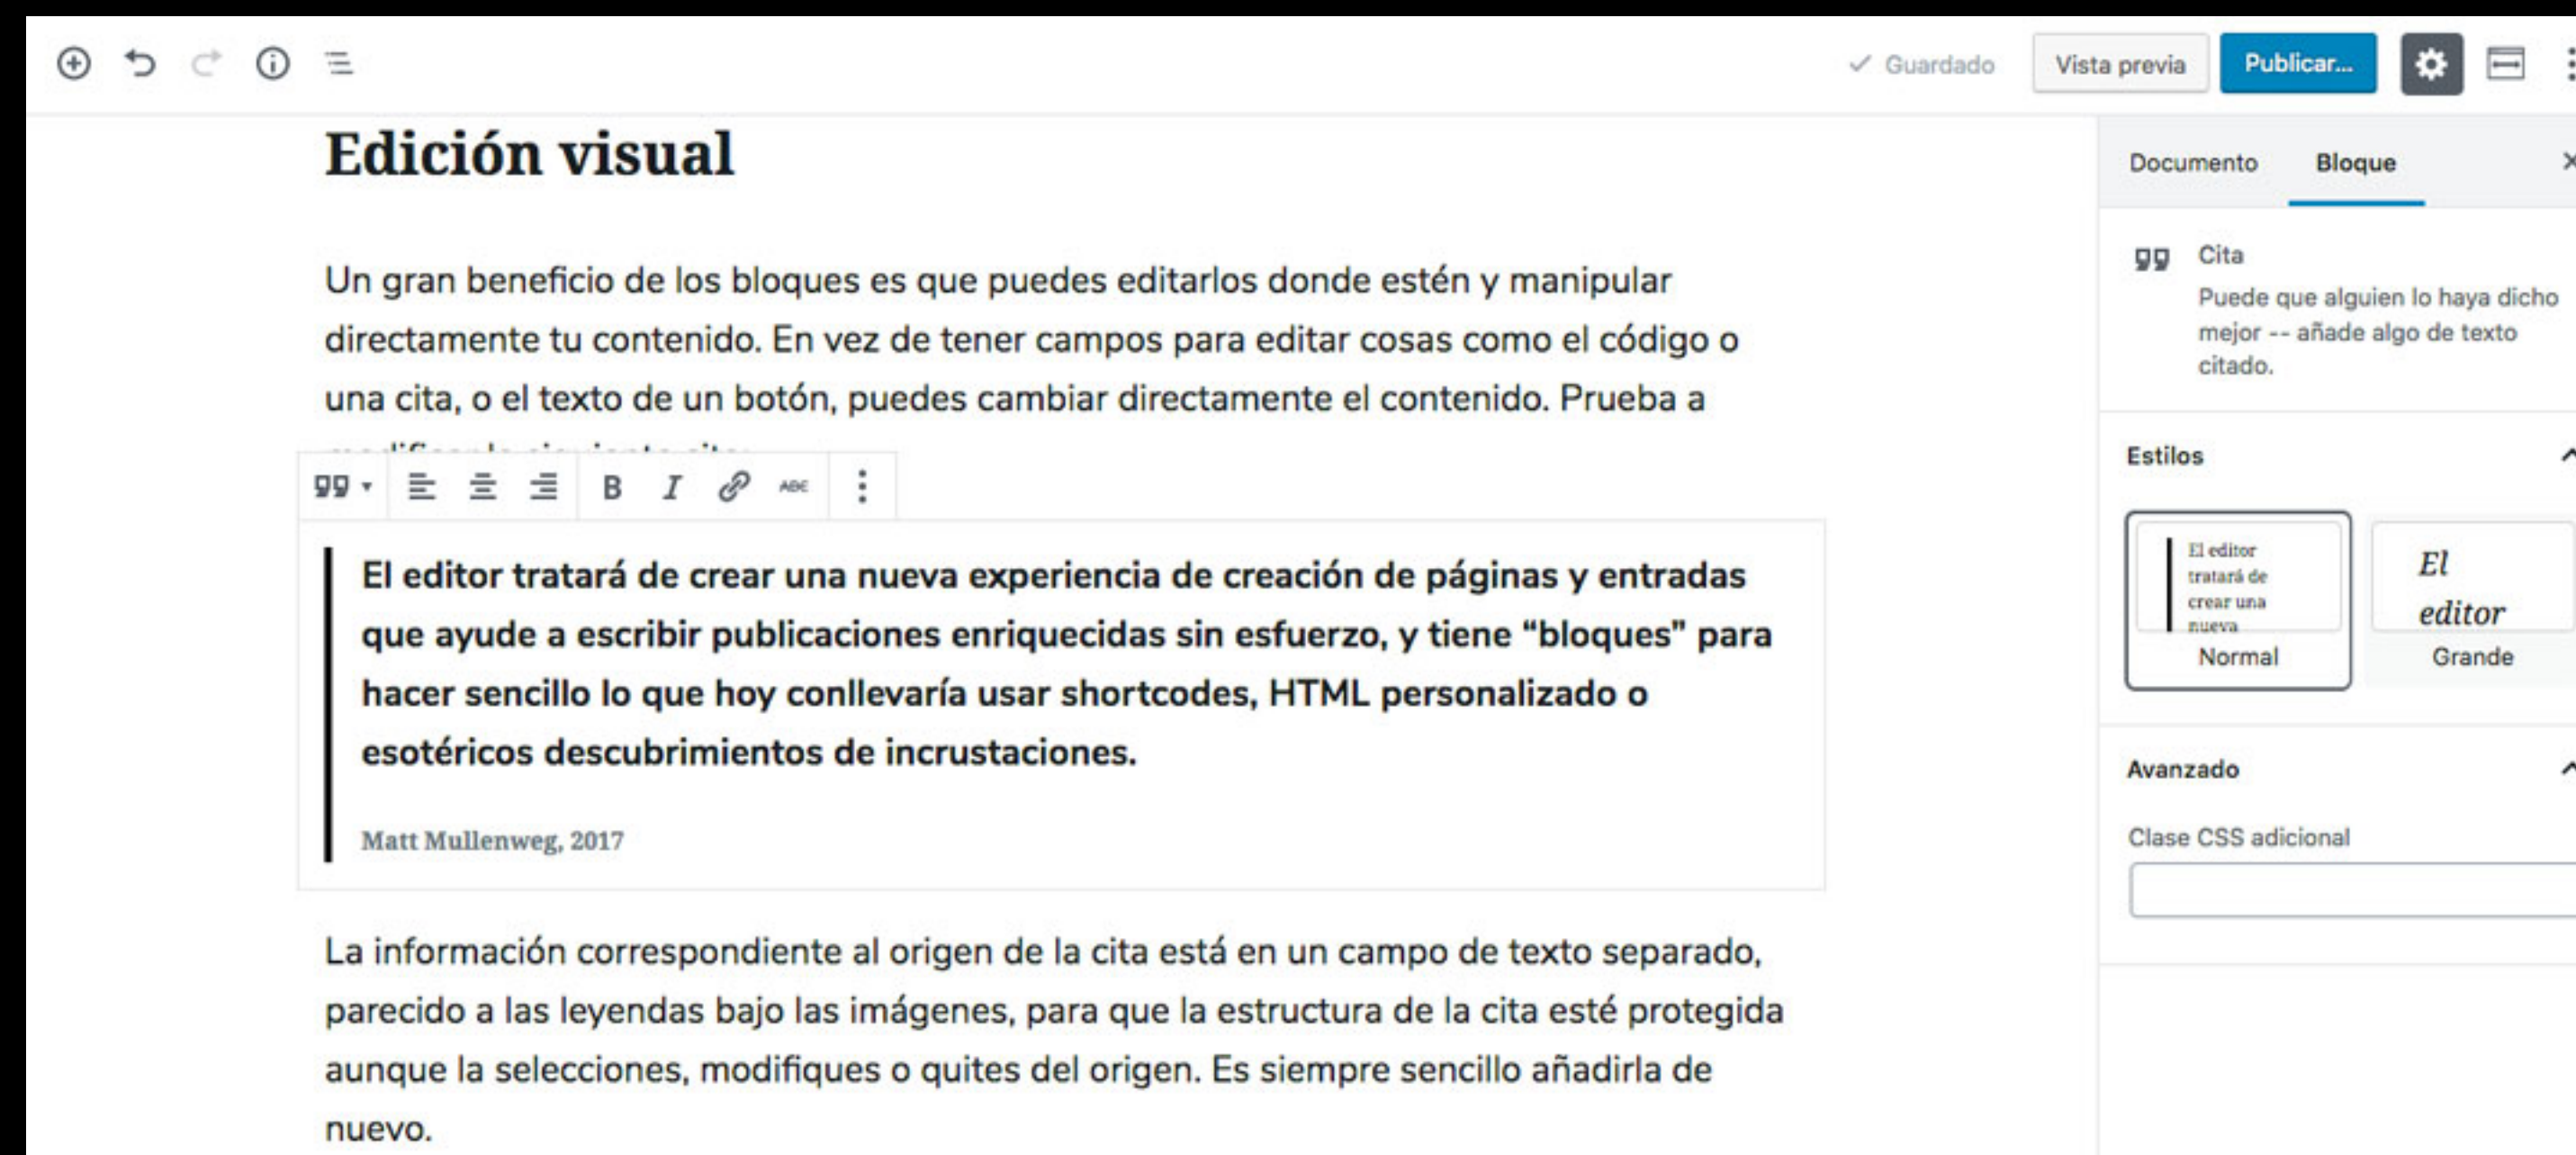

/* Main column width */
.wp-block {
    max-width: 720px;
}

/* Width of "wide" blocks */
.wp-block[data-align="wide"] {
    max-width: 1080px;
}

/* Width of "full-wide" blocks */
.wp-block[data-align="full"] {
    max-width: none;
}
```

ESTILOS DE LOS BLOQUES

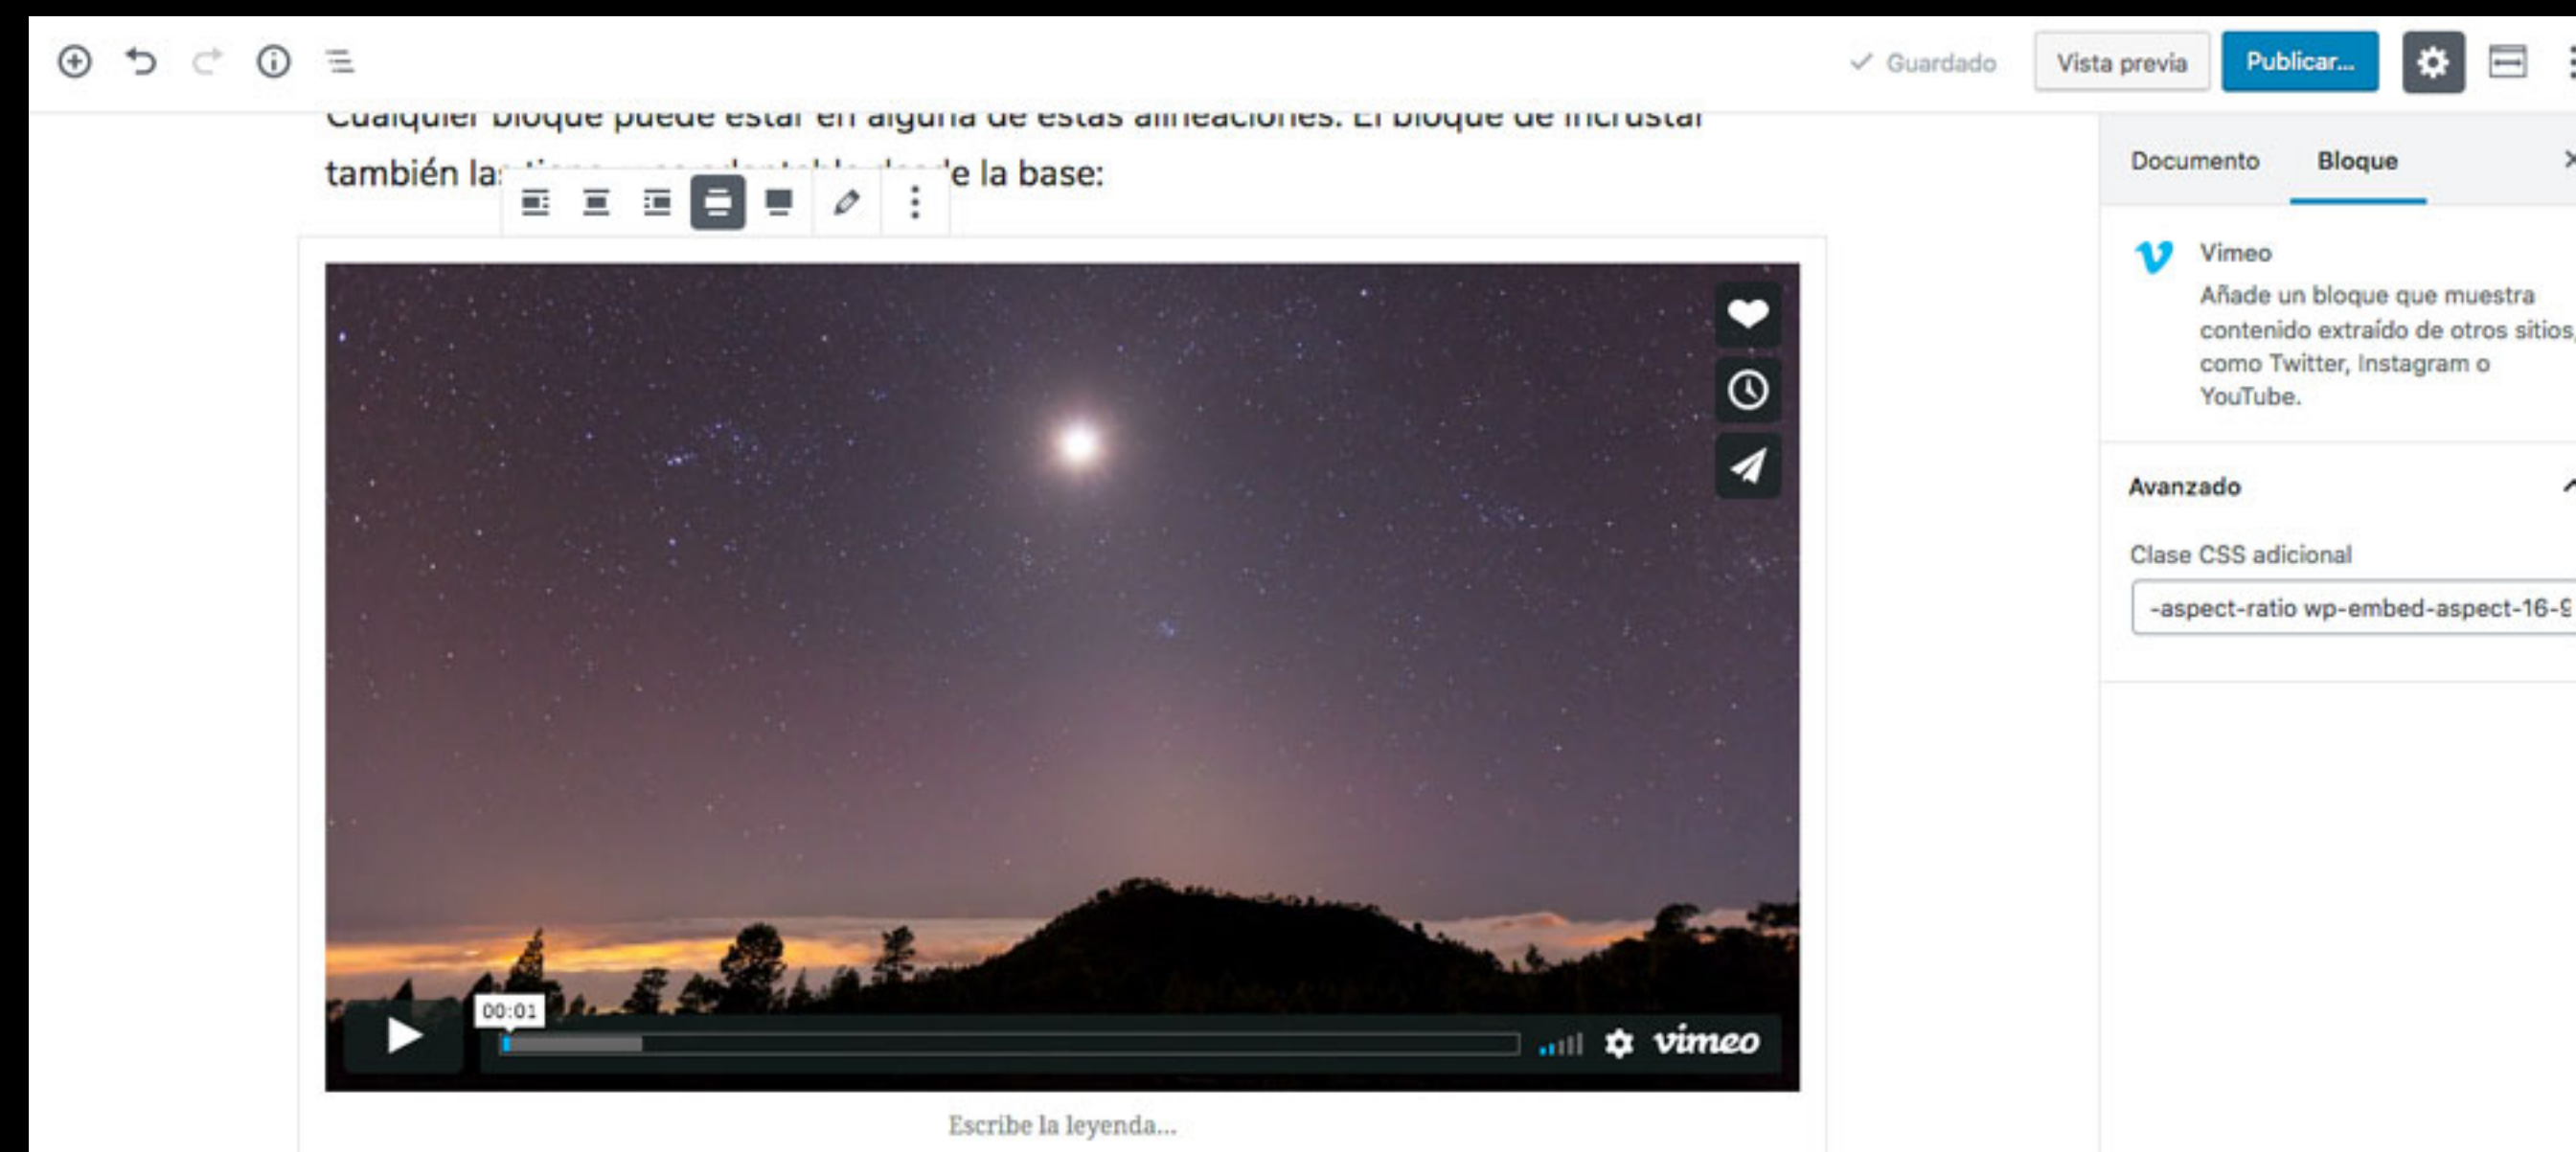

`add_theme_support('wp-block-styles');`

The screenshot shows the WordPress visual editor interface. The main content area displays a quote block with the text: "El editor tratará de crear una nueva experiencia de creación de páginas y entradas que ayude a escribir publicaciones enriquecidas sin esfuerzo, y tiene "bloques" para hacer sencillo lo que hoy conllevaría usar shortcodes, HTML personalizado o esotéricos descubrimientos de incrustaciones." attributed to "Matt Mullenweg, 2017". The quote is styled with a vertical line on the left and a light gray background. The right sidebar shows the "Estilos" (Styles) panel with two options: "Normal" and "Grande" (Large). The "Grande" style is selected, showing a preview of the quote with a larger font size. The "Avanzado" (Advanced) panel is also visible, showing a field for "Clase CSS adicional" (Additional CSS class).

INCRUSTADOS RESPONSIVE

`add_theme_support('responsive-embeds');`

¡MI TEMA ES “COMPATIBLE”!

AÑADE ADD_THEME_SUPPORT

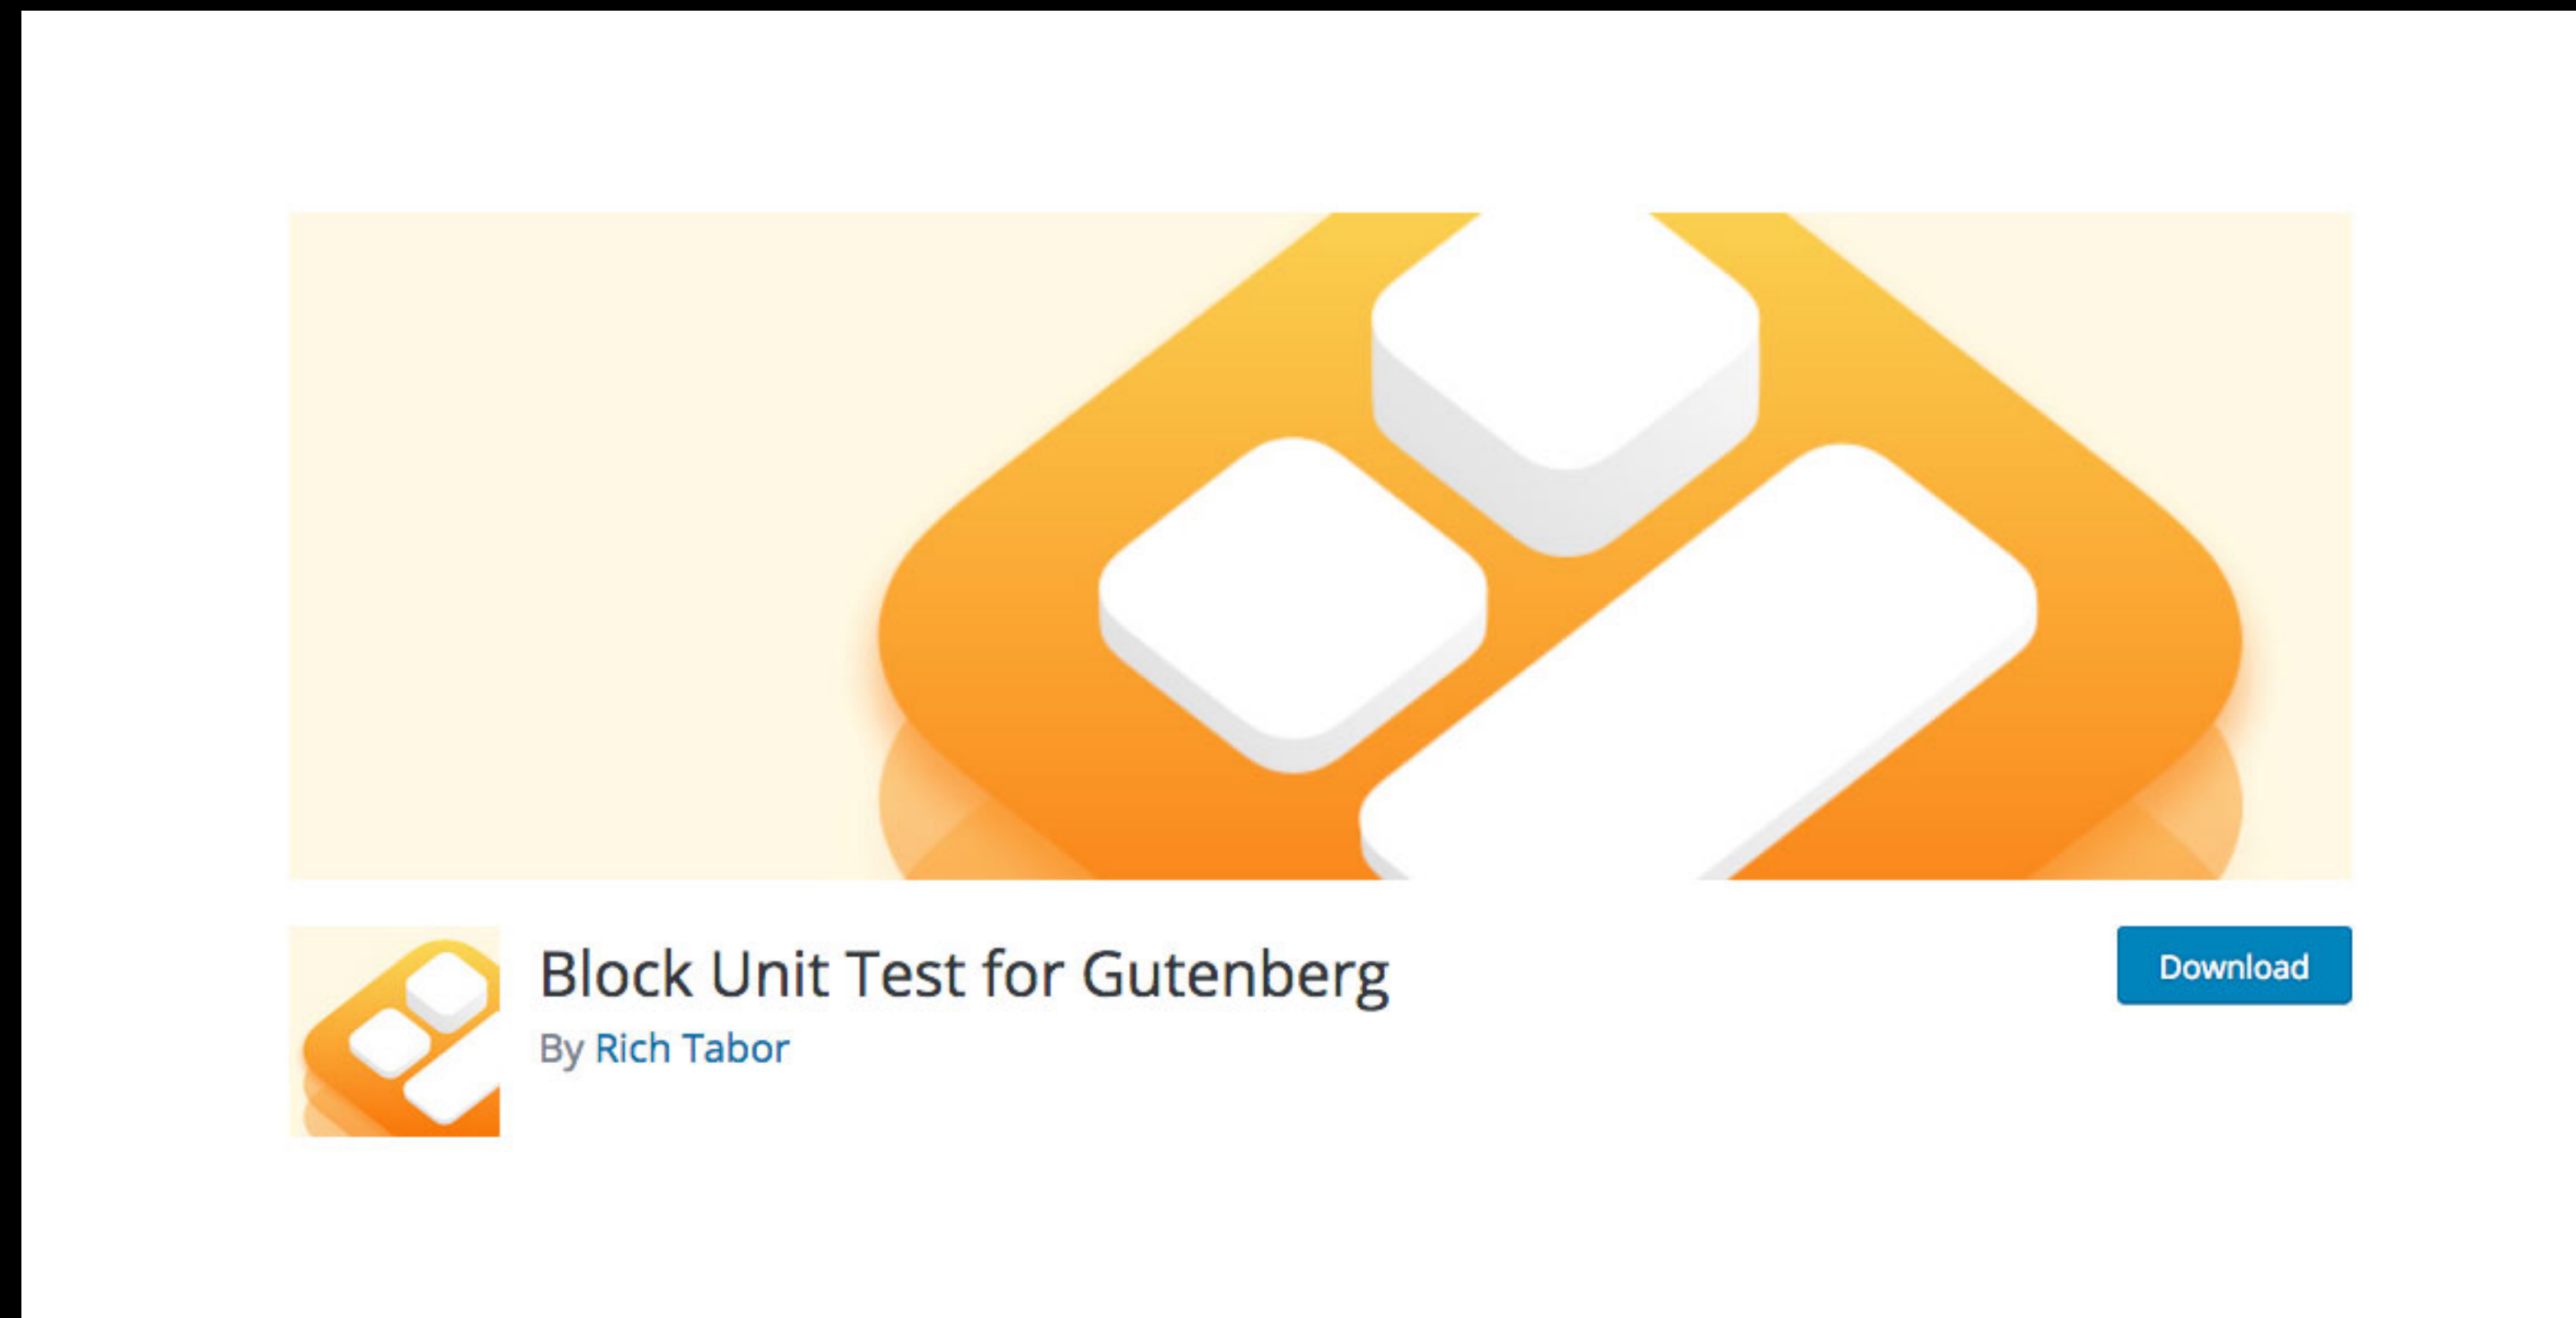

<https://wordpress.org/plugins/enable-gutenberg-theme-support/>

The screenshot displays the WordPress plugin interface for 'Enable Gutenberg Theme Support'. At the top, a yellow banner features the text 'Aa' followed by icons for text, list, and color selection. Below this, the text 'Enable gutenberg theme support' is centered. The main content area shows the plugin title 'Enable Gutenberg Theme Support' by 'Israel Escuer, Jose Angel Vidania' and a 'Download' button. A small thumbnail of the plugin's interface is visible on the left.

PRUEBA TODOS LOS BLOQUES

<https://wordpress.org/plugins/block-unit-test/>

The screenshot shows the WordPress plugin page for 'Block Unit Test for Gutenberg'. At the top is a large banner image with a stylized orange and white geometric design. Below the banner, on the left, is a small icon of the plugin. To the right of the icon, the text reads 'Block Unit Test for Gutenberg' in a bold font, with 'By Rich Tabor' in a smaller font below it. On the far right of the plugin card is a blue button with the text 'Download'.
